Company Overview

Car Wash Management Integrators (CMI), is a solutions integrator which provides client consulting and integrated product solutions with specialized expertise in Energy Savings from Variable Frequency Drives.

We bring together the best and brightest thought leaders in the car wash industry and marry them with world class automation engineers and software developers. Our extensive working relationships and partnerships ensure our clients' interoperability and competitiveness - providing them with powerful technology and the highest-quality and most reliable products and services available, ultimately maximizing their business results.

For advanced motor control and power management solutions, we are partnered with Rockwell Automation, leading global provider of industrial automation power, control and information solutions. Together, we provide innovative solutions to help retail car wash operators lower their power consumption and optimize the performance of their equipment.

Personal Bio for Jim Belanger

Jim Belanger, 45 years old, Founder and President of Car Wash Management Integrators, Bachelor of Science from the United States Military Academy at West Point, Former owner of Belanger, Inc., current owner Wash Zone Car Wash, Past Director of Educational Content Development for the International Car Wash Association, Past Member of the Board of Directors for the International Car Wash Association.

Jim Belanger, current President of Car Wash Management Integrators, has spent the last 20 years working in virtually every segment of the car wash industry. Jim has been in the car wash business since his early teens, working at the family car wash and helping to build equipment in the family's car wash equipment manufacturing company, Belanger, INC. School and his early career took him away from the industry for almost ten years while attending the United States Military Academy at West Point and fulfilling his service commitment in the US Army. Upon his return to the family business, Jim served in numerous positions during a 15 year stay, ultimately serving as Executive VP of Marketing from 1999-2004. Since leaving Belanger in 2004 and selling his equity position, Jim developed and operates (2) Express Exterior Tunnel Car Washes www.washzonecarwash.com and founded Car Wash Management Integrators (CMI), a solutions integrator which provides client consulting and integrated product solutions with specialized expertise in Energy Savings from Variable Frequency Drives www.carwashcmi.com. Jim is a past Member of the Board of Directors for the International Car Wash Association, and recently concluded a three year consulting contract with the ICA as Director of Educational Content Development.
