Received Certified Insurance Counselor Designation In 1983

I have been associated with the Car Wash Industry since 1992. In 1995 I designed and implemented the first New York State Car Wash Association Insurance Program. Since then our Program has also received endorsements from the Connecticut Carwash Association, The New England Carwash Association, the Mid-Atlantic Car Wash Association, The Car Wash Association of P.A. and the Greater St. Louis Car Wash Association. We are in the process of finalizing a sponsorship relationship with the Southeastern Car Wash Association.

I currently provide insurance for over three hundred (300) car wash operators countrywide with over three hundred fifty (350) locations in 28 states. I authored numerous Regional articles for the *Northeast Carwasher* Newsletter and the *Southeastern Car Wash Association* Publication, *The Journal*. On a National level I have written articles for the *Professional Carwashing and Detailing Magazine*, *Modern Care Magazine*, as well as the *Auto Laundry News*. Total subscription network of over eighteen thousand Car Wash Industry Professionals.

In 1997 I served on the Speaker Committee for the Northeast Regional Carwash convention with over 1200 attendees. I served as co chairman on the Convention Committee for the 2001 exposition.

In the fall of 2000, I received the Southeastern Car Wash Association supplier/exhibitors award in recognition of our service to their Association.

In 1996 I organized the first New York State Car Wash Association Golf Outing with over 80 attendees. I subsequently have coordinated the New York State Car Wash Association Golf Outings in 1997, 1998, 1999, 2000 & 2001.

I serve as Treasurer of the New York State Car Wash Association and on the Board. I am also a past member of the Board of the Mid-Atlantic Car Wash Association.

In the spring of 2001, I was appointed to the International Car Wash ESAC Committee representing the small vendors.

Also in the spring of 2001, I was asked to serve on the International Car Wash Risk Management Committee.

I continue to actively participate in eleven National car wash trade shows annually.

I have also been responsible for the production of a Safety video for Car Wash Operators countrywide. Additionally, I have arranged for various safety training seminars at some of the car wash trade shows.
